Don't forget, this will change and all the most up to date information is available via your My.Scout profile. It is also the way we prefer to take all payments and prevents My.Scout from chasing payments you've already made.

As a Unit, we should always be keen to volunteer and to show our worth around the District and the local community. So, if we are asked to help at a troop meeting, at an event, at a fireworks night etc. it may be late notice, possibly last minute but wherever possible, we'll try to do it.

Please be aware that there will always be late additions to the programme as well as changes to it.

If you any urgent queries on the day then you can always call me on 07977 185981
(Do please remember that I work and won't always answer).

Thanks, Dan.
